

СЕМИНАР НА ИНСТИТУТУ ЗА ФИЗИКУ

Professor Aurelian Isar

**Quantum decoherence and
entanglement in continuous variable
open systems**

Четвртак, 20. 10., у 11:00 сати

Институт за физику, Слушаоница 3

Head of the *Department of Theoretical Physics*, National Institute of Physics
and Nuclear Engineering, Bucharest-Magurele,

and

Faculty of Physics, University of Bucharest, Romania
