Academy of Romanian Scientist

Dear Professor Ivanka Milošević,

I am honored to announce the 8th General Conference of Balkan Physical Union, National Physics Conference 2012 and 9th International Student Conference of Balkan Physical Union to be held in Constanta, Romania during 5-13 July 2012 and to kindly invite you to submit an **invited contribution**. The 8th General Conference of Balkan Physical Union focuses on all aspects of physics: the scientific program will include invited lectures and poster presentations, as well as discussions on various topics of present interest, such as, but not limited to condensed matter physics, plasma physics, atomic and nuclear physics, biophysics and environmental physics, technical and engineering physics, physics education, etc. The deadline for the one-page abstract submission initially scheduled on April 05th, 2012 will be extended up to April 25th, 2012.

The core of the meeting will consist of 3 conferences:

1. 8th BPU, the 8th General Conference of Balkan Physical Union, 5-7 July 2012
2. CNF-2012, National Physics Conference, 8-10 July 2012
3. 9th ISCBPU, International Student Conference of Balkan Physical Union, 10-13 July 2012.

Please encourage your colleagues to enroll and participate to 8th BPU and CNF 2012.

Young scientists and faculties are encouraged to participate to the 9th International Student Conference. The competition is open to anyone who is following a post-graduate course study program at a recognized university, in any aspect of Physics. The competition is open to Young scientists who are either MSc or PhD students. Further, the maximum age of the student should be 30 years. The student will need to be pre-registered for the conference by uploading their personal information to conference site (http://www.univ-ovidius.ro/bpunpconferences2012/ISCBPU_1.php). The Student's supervisor/advisor must submit the complete to ibwap@univ-ovidius.ro by 15 April 2012.

There will be three CASH prizes:
