

**Southeastern European Network in Mathematical and Theoretical Physics
(SEENET-MTP)**

First Announcement

**THE JOINT MEETING
ON MATHEMATICAL PHYSICS AND SCIENCE POLICY
19-22 September 2012, Craiova, Romania**

ORGANIZERS:

- SEENET MTP
- Department of Physics from the University of Craiova, Romania

OBJECTIVES:

The meeting aims to:

- Enforce the connections already established among scientists, higher education and research institutions from the South Eastern European countries.
- Promote the excellence and grow the youth's interest for education in Sciences.

ACTIVITIES:

A. The 8-th Workshop “Quantum Field Theory and Hamiltonian Systems”.

- More than 40 senior and young researchers, MA and PhD students will meet in an already recognized scientific event in Mathematical and Theoretical Physics.
- Among the scientists invited to give presentations: Lars Brink (Sweden), Marc Henneaux and Glenn Barnich (Belgium), Xavier Bekaert (France), Yurii Sitenko (Ukraine), George Zoupanos and Ioannis Bakas (Greece), Boyka Aneva (Bulgaria), Branko Dragovich (Serbia), Mihai Visinescu (Romania).
- The workshop will also include a ceremony of conferring the title of *Doctor Honoris Causa* of the University of Craiova to Prof. Lars Brink - Chalmers University (Sweden), member of the Nobel Committee for Physics.

B. The 4-th meeting “Science and Society”.

- The activity will consist in a *round-table on the Science Policy in SEE countries*. Representatives of SEENET-MTP institutions and of UNESCO authorities will discuss how the database produced in a previous project with UNESCO Office in Venice and consisting in scientific and educational records of about 42 Institutions in Physics and Mathematics from 7 countries can be extended towards a platform for Science and Education Policy in SEE.
