Format: HYBRID (Onsite and Online).

## SECOND ANNOUNCEMENT

We are pleased announce the upcoming international SEENET-MTP and ACROSS “*Science beyond Borders and Disciplines*,” to be held in Craiova, Romania, from September 20 to 24, 2026.

The Workshops addressed to researchers, specialists, students and will be organized into the following four main **sections**:

- **S1:** Applied Mathematics
- **S2:** Mathematical and Theoretical Physics
- **S3:** Numerical Computing, Optimization, and Simulation
- **S4:** Energy and Environmental Sciences (in the context of global economic challenges)

### Publication opportunities

Subject to peer review, the contributions may be published in one of the following four series of the **Annals of the University of Craiova: Mathematics and Computer Sciences** (indexed WOS with IF=0.6, <http://inf.ucv.ro/~ami/index.php/ami>), **Physics AUC**(<https://cis01.central.ucv.ro/pauc/> indexed Scopus), **Economic Sciences** (<https://feaa.ucv.ro/annals/index.html>, indexed EBSCO, RePEc and CEEOL), **Geography** (<https://analegeo.ro/>, indexed EBSCO and ERIH Plus).

Depending on their topics, a limited number of papers will be considered for free of charge publication in **Mathematics** (<https://www.mdpi.com/journal/mathematics>, indexed WOS, IF 2.3, Q1 mathematics).

Instructions and deadlines for submitting the papers to one of these journals will be announced.
